

2864.—Silver War Badge “For Services Rendered”—
Issues to Marines.

(A.G.—3.8.1917.)

Duplicate issues of Silver War Badges have in some cases been made to Marines (including men belonging to Marine units of the Royal Naval Division), one by the hospital where invalided, and one by Royal Marine Headquarters or Dépôt.

2. As Marines are not discharged until their discharge documents have been completed, and the Badge is sent to them with their documents, issues in such cases should not be made by any establishment other than the Royal Marine Headquarters or Dépôt, R.M., concerned.
