617/80. UNIFORM—BR 81 (ROYAL NAVY AND ROYAL MARINES UNIFORM REGULATIONS)—AMENDMENTS (U)

[D/ST83A/175/3/1—DGST(N)83A]

1. The ANNEX to this DCI provides a checklist of DCIs issued since January 1979 which affect uniform regulations for RN, QARNNS and WRNS personnel. These should be consulted in conjunction with BR 81, as updated by Change No 8 (just distributed) to obtain the correct interpretation of the current regulations. Chapters 5 and 6 affecting Royal Marines' personnel are being updated separately.
2. Change 9, incorporating amendments up to 31 December 1979, is also at the printers and is expected to be published around the end of the year.
3. In an attempt to prevent lengthy delays in publishing amendments consideration is being given to re-issuing BR 81 in a loose leaf format, which will lend itself to amendment more readily. Further details will be advised in due course.
