CONTENTS

- 58 Stores - Clothing - Retail Prices of RN and RM All Ranks/Rates and Associated Cadet Forces Clothing

1. Retail prices of items in officers and ratings' clothing ranges have been reviewed. Revised prices that will apply from the 1 Apr 04 are shown in the ANNEXES to this DCI.

Notes

- a. Departmental expenses have been included within item price.
 - b. VAT is charged on the sale of all items except:
 - (1) In Fleet establishments abroad
 - (2) In HM Ships outside territorial waters for more than 15 days. or where the voyage of less than 15 days includes a call at a foreign port.
 - (3) Where items are being purchased under the Personnel Export Scheme (see BR96 Part II Article 0836, 1c).
 - c. Sales at Retail Sale Prices are restricted to purchases by Naval personnel for their own use, and other personnel specified in BR96 Part II Article 0802,b.
 - d. Items such as PE kit and specialist commando badges for RN units have to be transferred to specialist clothing for naval accounting purposes.
 - e. The letter 'O' after the description indicates that an item is now obsolescent and available only while stocks remain.
 - f. An additional departmental expense of 16% is to be added for authorised sales to foreign nationals, (i.e. 16 % is added to the VAT exclusive Retail Price then VAT is to be added to the full amount).
 - g. Items obtained through LPO, or Contract are to be charged to individuals (where applicable) using the prices enclosed in the ANNEXES.
2. These prices are those charged to MOD by clothing contractors, with departmental expenses added. Changes in prices are caused by a wide variety of factors: DCIPT continues to seek best value for money by using Smart Acquisition principles to purchase clothing, driving some prices down. Some products are bought in low quantities, are complex to make and increasingly difficult to source from industry, which can increase the prices paid for them.
