

Training of Buglers at the Depot, R.M., Deal.

129. Owing to the difficulty experienced at R.M. Headquarters
in training sufficient buglers to replace those transferred to
the ranks, etc., 12 boys are to be enlisted at the Depot R.M.,
Deal, and trained for buglers at that Establishment, 4 being
allocated to each R.M.L.I. Division.

When fully trained they are to be transferred to their
Headquarter Division and others enlisted in their places.
