

110 POSITIONING OF COLLAR BADGES ON OFFICERS AND OTHER RANKS UNIFORMS

- 1.** On the RM officers blue and khaki drill tunics and on the lovat tunic of both officers and other ranks, the collar badges are to be positioned centrally on the step of the collar with the bottom of the laurel wreath $\frac{1}{4}$ inch above the edge of the step.
- 2.** Authorities and units to whom the revised dress regulations for officers and other ranks have been forwarded (RM 15/12/93 dated 23rd March), should note their copies accordingly. This amplification will be included in the Appendix to the Navy List on reprint.
- 3.** The positioning of collar badges on the blue tunics of other ranks remains unaltered.
