

135 CHANGE OF TITLE OF CLIFF LEADERS BRANCH TO RECONNAISSANCE BRANCH

1. The requirement for a reconnaissance specialist in a Commando has been recognised for some time and has been reflected in the revised training syllabus for the present Cliff Leaders courses.

2. The Commandant General Royal Marines has decided that this requirement should be similarly reflected in the title of the branch. The Cliff Leaders Branch will therefore change its title to "Reconnaissance Branch" and the members of it will be known as "Reconnaissance Leaders (RL)" with effect from 1st June, 1967.
