

208. Officers' Gilt Cap Badges.

Approval has already been given by R.M.No.4854/43.Q. of 17th September, 1943, for the wearing by Officers of "Other ranks" Cap Badges, which may be purchased from service stocks, in the blue beret, pending receipt by the 1st Quartermaster Portsmouth Division, R.M., of Officers Pattern Cap Badges.

As there will be some delay before supplies of Officers Pattern Cap Badges are obtained, and the price of those obtainable from civilian sources is very high, this concession will be brought to the notice of all Officers.
