

### 31 PILOTS FOR UNIT LIGHT AIRCRAFT

1. Reference RMRO 181/65. *Delete* paragraph 13 and *insert* :

#### **Military Knowledge Test.**

13. All officers and NCOs attending the Army Aviation Centre for flying training after 1st April, 1966 will be required to take a Military Knowledge Test on entry. Those failing this test will either be rejected for flying training or deferred until a higher standard can be achieved. The following subjects will be covered by the test :

- a. Organisation of basic infantry, armoured and artillery formations down to section or equivalent level
- b. Elementary tactics at infantry platoon level.
- c. Radio voice procedure for control of a net and one-to-one working.
- d. Staff duties in the field for message writing, issue of verbal orders and conventional military symbols.
- e. A high standard of map reading.
